

JUDGE BERNARD P. BARASA,
President of the United Italian Benevolent Association.

CHARITY BALL TO AID ITALIANS

Judge Barasa to Be Chief
Speaker at Entertainment and
Dance to Be Held January 24.

One hundred and twenty-five Italian societies of Chicago, which compose the United Italian Benevolent Association, have decided to establish a permanent central institution as a clubhouse and common meeting place for their many activities to take place in the future.

A drive to raise \$250,000 will be launched within the next week by popular subscription, this drive will be made amongst Italians only. To further this end a reception and ball

MISS JESSAMINE CERIALE,

has been arranged for January 24 at the North Side Turner Hall, in which some of the most prominent Italians will take part.

A feature of the reception will be operatic selections by Miss Jessamine Ceriale, who is hailed as a coming Galli-Curiel in Italian circles. Miss Evelyn Guarno will accompany her on the piano.

Judge Bernard P. Barasa will be the chief speaker. Judge Barasa, Joseph Russo, John Panegasser and John R. Durso constitute the committee in charge of the reception.

Peter Nanni is chairman of the dance committee; Vincent E. Guarno is treasurer, and Edward A. Giulio is secretary. The officers of the association are: Judge Bernard P. Barasa, president; 1st vice-president, Rocco Imundo; 2nd vice-president, Anthony Gentile; 3rd vice-president, Rocco Gugliemucci; secretary, John Panegasser; financial secretary, Jas. Pacelli; treasurer, Joe Russo; marshal, A. L. Gazzolo; trustee, Henry Cataldo.

ALDERMEN PUT HIGH PRICE LOOP THEATERS IN SAME CLASS WITH LOW PRICE MOVIES

The city council should explain its action in putting the movie theaters in the same class with the loop "speaking" theaters.

The movies charge from 5 cents to 50 cents.

The loop "Speakers" charge from \$3.50 to \$12.00, according to impulse.

The movies are a necessity and furnish pleasure and instruction for families.

The loop theaters are a luxury, and add to the high cost of living.

Pass fed aldermen do not look at the matter in this light.

Movies have no influence with the loop hounds.

So they have to suffer while the big price houses escape.

The new license fee schedule for theaters, including the movies, is graded both on seating capacity and admission charge, as follows:

Maximum seating capacity	Maximum admission price	Maximum price of admission	Maximum price of admission	Maximum price of admission

SIDEWALK ORDINANCE NEEDED

City Council Should Regulate Conditions in the Loop.

The City Council should pass an ordinance prohibiting people from loitering on the sidewalks in the Loop. Pedestrians should be compelled by law to keep to the right. As things are at present, without any sort of regulation, some of the down town streets are almost impassable.

John T. Murray, the well known and popular lawyer, would make a good judge.

P. J. Sibley, of the Fountain Pen Shop, at 31 N. Dearborn st., is often mentioned for Clerk of the Superior Court. His popularity would insure his election if he would make the race.

Sanitary Trustee William J. Healy is the father of the Orleans street bridge—the greatest improvement ever made by the city of Chicago on the Chicago river. Mr. Healy, while Alderman from the Eighteenth ward, fought week in and week out until he secured the passage of an ordinance and appropriation for this much needed structure. When completed it will be one of the greatest bascule bridges in the United States.

The Joseph Triner Company has done much for the health of the people. Its products are praised by all who have used them.

C. A. Bickett, the well known and highly respected president of the Bickett Coal and Coke Company, although still a young man, has led a very active life and has been a potent figure in the business world for many years. Matt Aller would make a good City Treasurer. He is a sterling Democrat and has worked hard to put many good men into public office.

Albert J. Hopkins, who made one of the best United States senators Illinois ever had, would make a great governor.

Repeal the rotten Civil Service laws and give the soldier boys jobs.

The McAvoy Company is manufacturing a temperance drink that bids fair to become very popular. It is called "Alpha" and its strengthening and invigorating qualities are much praised. The McAvoy company is also producing dealcoholized Malt Marrow, which is universally popular.

Charles H. Lamson is one of Chicago's greatest paving experts.

Judge Frank Johnston, Jr., is making a fine record on the Circuit Court bench.

George L. Schein, the well known lawyer, who numbers his friends by the thousand, would make a fine judge. Mr. Schein has no ambition in this direction, it is said, but his ability, fairness and legal experience well fit him for judicial honors.

Who gets the benefit of the Public Service Departments Utility extractions?

Edward W. Everett, the well known lawyer, is frequently talked of for congress by his many political friends. He is said to have no ambition in this direction, but his popularity would cause his election to almost any office he was nominated for.

The famous Terrace Garden is now one of Chicago's distinct features. A trip to the Morrison Hotel where the beautiful restaurant is located always means a return visit.
